Whitehaven Road

**Glendowie Primary School
Enrolment Scheme
Commencing January 2005**

In order to avoid overcrowding, or the likelihood of overcrowding, the Board of Trustees at Glendowie Primary School has adopted an enrolment scheme which has been approved by the Ministry of Education. This will come into effect from January 2005.

Under this scheme, students will be enrolled if they live within the home zone described below:

Commencing to the east fixed by extending a straight line from and including 234 on one side and 327 on the other side of Riddell Road to the sea called the northeast boundary point and then running south along the coast line, bordering Tahuna Torea and down to Tahaki Road. The zone would then run along both sides of West Tamaki Road as far as the intersection of West Tamaki Road and Taniwha Street, including 250 and greater and 227 and greater. The zone then proceeds northwest to the corner of Mt Taylor Drive and Crossfield Road, then southwest to include all of Esperance Road. From Esperance Road the zone progresses through to Modena Crescent, Emerson Street and Florida Place, including Ashby Avenue numbers 52-60 and 59-67 only. The zone proceeds east along Mt Taylor Drive, turning left along Wendover Road (down to 51 and 52 inclusive) to the corner of Monterey Street. It will include Monterey Street, Pembroke Crescent and Granada Place. Back along Mt Taylor Drive, turn left into Crossfield Road, then west along Riddell Road down to number 52 and 77, including Bryant Place. Off Riddell Road, go north along Rochdale Ave, then turn northwest into Chesterfield Ave, including 23-33 and 28-34. Continue northeast along Robley Crescent, then left into Whitehaven Road. Proceed north along Forfar Road (all of), then east into Chelmsford Ave, until it meets Riddell Road where it will finish at 234 and 327. All streets within this boundary are part of the Glendowie Primary Geographic Zone.

Proof of residence within the home zone will be required.

The enrolment of out of zone students is governed by the provisions of the Education Act 1989.

The enrolment scheme, which includes a precise description of the home zone, may be viewed at the school office where copies of the scheme are also available.
